We will make every attempt to use your preference for snow removal, but conditions may warrant using others. We will always use the most appropriate method for your property, whether it is snow plow, snow blow, shovel, backhoe or bobcat.

I WOULD LIKE SNOW REMOVAL DONE STARTING AT:

- PRIORITY CLIENT:** 3" + (residential driveways done with a snow blower; street berm across driveway done with a plow, commercial drives & parking lot done with plow)
- Forest Highlands Housewatch (berm plowed, path to front door blown)
- WILL CALL.** 72-hour notice required. Will call is not recommended for decorative drives as a large accumulation of snow will require heavy equipment that may cause damage (WILL CALL Client acknowledges built up ice will not be removed, only surface snow.)
- OTHER** _____

INJURY/DAMAGE WAIVER

- **INDEMNITY:** All work covered by the Contract done at the site of snow removal, or in preparing or delivering materials or equipment for any or all of them to the site, shall be at the sole risk of the CONTRACTOR. CONTRACTOR shall, with respect to all such work which is covered by or incidental to this Contract, indemnify and hold OWNER harmless from all claims for bodily injury and property damage that may arise from CONTRACTOR’S operations under this Contract, provided that any damage is caused in whole or in part by any negligent act or omission of CONTRACTOR, any subcontractor, anyone directly or indirectly employed by any of them.
- The Owner acknowledges that some damage to the property of the Owner is reasonably foreseeable as a consequence of the Contractor’s performance of this Agreement. Such reasonably foreseeable damage includes, but is not limited to, damage to low level fixtures such as landscape lights, irrigation risers, etc.; damage to concrete/asphalt caused by studded tires, plow feet or chains; damage to sod, grass, and landscaping caused by the piling of snow, and the application of ice melting products; and surface damage to curbs and asphalt due to the clearing and chipping of snow and ice.

CLIENT ACKNOWLEDGES THAT SURFACE AREAS MAY STILL BE SLICK OR SLIPPERY. BE ADVISED SURFACE SNOW REMOVAL IN NO WAY GUARANTEES OWNERS’ SAFETY, IT IS MERELY TO MAKE ACCESS MORE CONVENIENT.

REGULAR ACCOUNTS WILL HAVE FIRST PRIORITY. WILL CALL CLIENTS WILL BE SERVICED ON A FIRST COME, FIRST SERVE BASIS.

IT IS THE CLIENTS’ RESPONSIBILITY TO MARK ON SITE ANY LOW LEVEL FIXTURES SUCH AS LANDSCAPE LIGHTS, IRRIGATION RISERS ETC. WITH REFLECTIVE SNOW MARKERS.

CLIENT AGREES TO PAY JKC INC WITHIN 30 DAYS AFTER SERVICES RENDERED. Past due accounts will accrue 18% interest, and any applicable attorney fees. Returned check fee is \$100. Delinquent accounts will not be serviced.
